

SMS Stamp Tool & Mould Technologies B.V.

Tilburg

has demonstrated a quality management system which complies with the requirements of the standard:

NEN-EN ISO 9001:2015

The quality management system has been evaluated according to TÜV Nederland certification procedure for the following scope:

Design, assembly, testing and validation of progressive dies and moulds for stamping and molding of products in mass production.
Spare parts, overhaul, revision and service in case of production breakdowns.
Stamping and molding of initial series. Product development and process optimization.

This certification is subjected to an annual evaluation by TÜV Nederland.
